NACM Connect has just completed their first Credit Professionals Compensation Survey. This survey is the most comprehensive salary study in the Credit Industry, and includes information relevant to credit professionals including designations, certifications and emerging trends in Credit department hiring. This survey provides detailed information covering compensation information for each credit department position benchmarked.

The survey was conducted/compiled by Management Association of Downers Grove, IL, a firm specializing in secure compensation surveys. We recognize the highly sensitive nature of this information and this way we were able to assure confidentiality.

The results have been tabulated and are available for purchase as of January 9, 2017 at a discounted rate of \$25 to each participating member. Non-participating members can purchase a copy of the results for \$200. *The survey results are not available to non-members.*

This survey and its results are available exclusively to member companies of NACM Connect, an affiliate of the National Association of Credit Management.
