

# Elite Membership Nomination Form

NACM Connect has a long-term interest in engaging more young people in the Association. To that end, this pilot program called, "The Elite Membership", will honor outstanding and exceptional young Credit Professionals. For the fiscal year from April 1 – March 31 all members of NACM Connect are eligible for this program. Candidates must be 35-years-old and younger, and be employed by NACM Connect member companies in good standing.

This program will recognize these young Credit Professionals for their service, talent and outstanding commitment. If you have a team member or co-worker that you think deserves extra recognition for their standout qualities, traits and characteristics, please take a few moments to complete this nomination form.

Nominations will be accepted until January 31. Nominations will be reviewed by the Emerging Leaders Committee and winners will be notified no later than February 28.
