How the Credit Application Processing Service Works

NACM Connect’s Credit Application Processing Department can assist you and your team to help streamline the process, reduce the cost of internal processing and provide you with a more thorough and comprehensive picture of the applicant.

Three Ways to Submit your Credit Application:

1. **Fax** the credit application to 937-433-0307* **or**
2. **Email** it to businesscredit@nacmconnect.org, **or**
3. **Upload** it to www.nacmconnect.org/services/credit-application-processing

We will contact up to **four** Trade References and **one** Financial Institution. Legible applications submitted with accurate contact information will ensure a quick turnaround, saving you time to focus on other important department operations!

*US and Canada only

This service is available with your membership and the first three are free!
