Help simplify decisions with this powerful tool

With the Equifax Business Credit Report you'll gain insight and a holistic view of your commercial clients' business viability. The report includes such details as:

- 1 Business Information** Company name, legal name, years on file, address, phone and fax numbers, as well as firmographic information such as industry codes, employee size and sales volume.
- 2 Associated Businesses/Principal Guarantor** Displays a list of any additional businesses known to be associated with the business principal or guarantor, as reported within the Equifax database.
- 3 Indices** Our Credit Index and Payment Index are proprietary risk indicators that provide a numerical assessment of a company's current risk level using a variety of factors from public and proprietary sources plus measures of the payment habits of a company.
- 4 Predictive Scores** Our Commercial Delinquency Score predicts the likelihood that a company will be severely delinquent in paying an industry trade (non-financial) account within the next 12 months, whereas the Financial Trade Delinquency Score predicts the likelihood of severe delinquency on financial trade accounts within the next 12 months. Our Business Failure Risk Score predicts the likelihood that a company will cease business in the next 12 months.
- 5 Industry Trade Details** This section highlights trade Credit Reference details including payment terms, pay habits, status codes and trends as reported by our Trade Contributors.
- 6 Financial Trade Details** This section highlights financial Credit Reference details including information and payment habits for a business's credit cards, lines of credit and fixed term loans as reported by our Financial Trade Contributors. Includes credit available, utilization percentage, ratings and total debt outstanding.
- 7 Guarantors** This section will list individuals or companies that are guarantors of specific financial exposures such as lines of credit or loans listed in the Financial Credit segment.
- 8 Derogatory Items** Detailed information is provided on returned cheques, collection claims, legal suits and judgments. Creditor and plaintiff are identified, as well as dates, amounts, and current status as reported by our data sources.
- 9 Inquiries** Number and Detail of Inquiries on the subject matter.
- 10 Other information that may be included in the report:** Alerts for Superintendent of Bankruptcy, Bank Report Detail, Corporate Search and Additional Business Information, Liens Detail.
