

LinkedIn Instructions for Changing Header Background

To add a background photo:

- 1 Click the  Me icon at the top of your LinkedIn homepage.
- 2 Click View Profile.
- 3 Click the  Camera icon on the upper-right corner of your introduction section.

- 4 Click **Edit profile background** to select an image from your computer, select the image and click **Open**.
- 5 After uploading the photo, you can:
 - Crop the photo, use photo filters, adjust, change the position and size, or rotate your background photo.
- 6 Click **Apply**.
 - The photo will upload automatically.

To reposition, delete, or change a background photo:

- 1 Click the  Me icon at the top of your LinkedIn homepage.
- 2 Click View Profile.
- 3 Click the  Edit icon on the upper-right corner of the background photo in the introduction section.
- 4 From the background photo pop-up, you can:
 - **Edit background photo:** Crop the photo, use photo filters, adjust, change the position and size, or rotate your background photo
 - **Change background photo:** Click **Change photo** and follow prompts to change your background photo
 - **Delete background photo:** Click **Delete photo** and confirm your action to delete your background photo
- 5 Click **Apply** (if applicable).
