

SUMMER LUNCHEON MEETING

EASTERN WISCONSIN BEST PRACTICES DISCUSSION GROUP

About the Meeting Topic

Leslie's presentation will cover building the Perfect Credit Professional... skill sets and personality traits that can help you be the best credit person you can be... and help identify others who could be future credit "stars" too.

About the Best Practices Discussion Group

Unlike traditional credit groups, the NACM Connect Eastern Wisconsin Best Practices Discussion Group is not industry specific. Your entire company may attend each meeting including your associates, members of the credit department and even the CEO of your organization. Any NACM Connect member company is welcome to join the group. Each meeting will discuss best practices and no specific customers will be mentioned.

About the Group Meetings

Four times each year, the Best Practices Discussion Group will hold a roundtable discussion. Local meetings will be held in the Sheboygan/Kohler/Plymouth Manitowoc/Fond du Lac area. We will focus on various credit-related topics relevant to today's business professional. NACM personnel, a member company or guest speaker will facilitate a lunch meeting.

Objectives of the Best Practices Discussion Group

- Determine necessary improvements for your credit and/or accounting departments and organization.
- Analyze how other organizations achieve high performance levels.
- Use gathered information to enhance your company's performance.
