EXPERIAN COMMERCIAL CREDIT SOLUTIONS

Smarter credit decisions. Greater confidence.

Assess risk, extend credit, and identify growth opportunities with trusted business data, analytics, and decision-solving tools that help you make informed decisions across the customer life cycle.

PREMIER PROFILE

Complete business insight in one report.

Why it matters:

- Combines credit risk, payment history, public records, company background, and fraud data.
- Highlights key risk indicators and creditworthiness at a glance.
- Enables faster, more informed credit decisions.
- Reduces uncertainty with trusted, third-party-verified data.

Value: Get a clear view of business risk and financial health to improve decisions and portfolio performance.

FRAUD INVESTIGATION REPORT

Detect fraud sooner. Approve good business faster.

Why it matters:

- Combines fraud and credit insights in one report.
- Detects potential fraud while assessing risk.
- Reduces manual reviews and investigation time.
- Supports faster onboarding and credit decisions.

Value: Reduce fraud risk and accelerate growth in your organization with a single view of fraud and credit intelligence.
