National Tool & Accessories Manufacturers Credit Group

Save Time. Save Money. Stay Informed.

Group Benefits

- **Quarterly Clearance List** – Members can submit up to twenty (20) of their accounts to be included in each packet of reports, providing an opportunity to obtain current customer information.
- **Coded Membership Roster** – Group members are identified by a Group number on reports. A numbered roster is furnished to all members to aid in report review, trending, and follow-through.
- **Alert Submittals** – Members cooperate for mutual benefit by reporting current problems such as NSF checks, unauthorized and unearned discounts, accounts placed for collection, and other pertinent comments.
- **Interim Inquiries** – In addition to the twenty (20) accounts you may submit on the clearance list, you have access to NACM National Trade Credit Reports at a special member rate.

NACM CONNECT
National Association of Credit Management
Driving results

- **Meetings** – Meetings are held four times a year, usually in January, April, July, and October. Presentations by expert speakers on credit related subjects help you earn CEUs toward NACM designations.
- **Networking** – Form business relationships with your peers, share information, and discuss best practices.
- **Other Credit Services** – Educational and research resources are available through NACM Connect and its nationwide local affiliates.
- **Administrative Supervision** – A qualified NACM Connect staff member serves as your Administrator. The Administrator attends all meetings, supervises the services to members, and is available at all times for information and consultation.
