Call for SPEAKERS

NACM Connect is planning its Annual Legal Symposium. The Legal Symposium is virtual and will take place over four weeks. Each session will be presented as a one-hour webinar. The dates are set for **March 4, 11, 18 and 25,** each at **10:00 a.m. Central Time.**

Here is what we look for in speakers:

1. NACM Connect members will be attending to learn about legal matters. Please don't focus on your services or present a sales pitch.
2. Speakers who are objective and dynamic. NACM Connect strives for unbiased, balanced sessions that bring together the best sources in the industry to speak on a specific topic.
3. Speakers who are committed to their presentation. Once a speaker is accepted, that speaker's name and reputation become part of the marketing. However, in the event of unforeseen circumstances such as court dates, etc. a suitable substitute will be allowed. In those circumstances we ask that the information is communicated to Bob Rabe as soon as possible.
4. Deliver the presentation materials on time including electronic copies. All presentations must be emailed to NACM Connect for uploading to the seminar landing page as handouts. We must receive the presentation materials one week prior to your scheduled session. During the presentation you will be made a co-host so you can share your screen and control your slides. Sessions will be recorded.

SUBMISSIONS DUE BY NOVEMBER 20TH
