

CONTRIBUTE YOUR A/R DATA ELECTRONICALLY

The Benefits of Online A/R Data Contribution

Rewards Good Customers, Supports the Credit Community and U.S. Commerce

Rewards your good paying customers and gives an incentive to your slower paying customers to pay you more promptly.

Saves Your Staff Time and Your Company Money

Industry credit groups—After an initial time investment of approximately one hour, you will never have to manually submit data to NACM Connect except for Request for Names and Alert Information.

Reduces Your Company's DSO

Creditors are more likely to pay promptly if they know their trade experiences are being reported.

Portfolio Scoring Free to Trade Data Contributors

The Portfolio Risk Analysis tool will segment and identify high risk accounts within your customer base for review. Also benchmarks your customers risk and exposure compared to your industry.

Earns You Discounts on Credit Reports

A/R data contributors receive a substantial discount on NACM Connect credit reporting contracts.

Contributes to the Strength of Your Group and Industry

Data contributors have privileged access to use NACM Connect web-based Credit Reference, Portfolio Scoring and Account Monitor services.

Costs Your Company \$0

Reporting data is easy, confidential, safe, secure and at no charge. A great way to support NACM Connect.

Puts \$50 in Your Pocket

Each new A/R data contributor who begins electronic submissions will receive a **\$50 American Express** gift card.
