**Your
Customer Accounts
CAN CHANGE
Overnight**

You deserve to have all the information at your fingertips to help with a credit decision.
You deserve to meet your fellow credit managers in your industry to discuss customer trends.
You deserve low-cost educational opportunities to help you in the job.

Membership Privileges and Benefits

Monthly Clearance List - Members can submit up to 22 of their accounts to be included in each packet of reports. In return for providing aging information on their accounts in the list, members receive the entire packet of reports which contains current ledger experience furnished by all of the group members.

Interim Reports - Group members can request interim credit reports throughout the year at a special member rate. These reports can also be developed by requesting information from group members.

Coded Membership Roster - Account information is identified on each report by the assigned group number of the member contributing the information.

Alert Submittals - Members cooperate for mutual benefit by reporting current problems such as NSF checks, unauthorized and unearned discounts, accounts placed for collection, and other pertinent comments.

Meetings - Four quarterly meetings per year - 1 in person in January during the NAMM Show and 3 via Zoom. Presentations by expert speakers on credit related subjects help you earn CEUs toward NACM designations.

Personal Contacts - A network of credit professionals with similar responsibilities promotes confidence and cooperation in exchanging credit information for mutual benefit.

Additional Services - Credit reporting products from additional databases including Experian and Dun & Bradstreet, education and professional certification, and NACM Business Staffing.

Administrative Supervision - A qualified staff member of NACM Connect serves as your Group Administrator and attends all meetings to insure antitrust compliance, provides information/consultation, and supervises service to members.
