International Flat Rolled Steel Credit Group

Build Your Network

Clearance List (Five times Annually) - Members can submit up to 30 of their accounts to be included in each packet of reports. This provides the opportunity to obtain current ledger experience on your customers. Members receive the entire set of reports in return for their cooperation.

Interim Inquiries - In addition to the accounts you update, you also have access to ordering other NACM Connect reports at a special member rate.

Coded Membership Roster - Group members are identified by number on reports and a numbered group roster is furnished to all members to aid in report study, trending and follow through.

Alert Submittals - Members cooperate for mutual benefit by reporting current problems and information via email (i.e., NSF checks, unauthorized and unearned discounts, collections, etc.).

Meetings - Five meetings annually

Personal Contacts - A network of credit professionals with similar responsibilities establishes confidence and cooperation in exchanging credit information for mutual benefit.

Administrative Supervision - A qualified staff member of NACM Connect serves as your Group Administrator who attends all meetings, provides information/ consultation and supervises the service to members.

Other Credit Services - Educational/Research Activities, Staffing Services, Additional Credit Reporting Products from other Data-bases, including Experian and Dun & Bradstreet, are available to you through NACM Connect and the nationwide affiliates of the National Association of Credit Management.

Why Choose Us?

- Save Money
- Save Time
- Stay Informed

Membership Requirements

Fully integrated, electric arc/melting steel producers who regularly manufacture and market broad product ranges of flat-rolled commodities in a facility located in North America.
