

2022 Elite Membership Nomination Form

NACM Connect has a long-term interest in engaging more young people in the Association. To that end, our Elite Membership honors outstanding and exceptional young Credit Professionals. For the fiscal years from April 1, 2022– March 31, 2024 candidates must be 35-years-old or younger, and be employed by NACM Connect member companies in good standing.

This program will recognize these young Credit Professionals for their service, talent and outstanding commitment. If you have a team member or co-worker that you think deserves extra recognition for their standout qualities, traits and characteristics, please take a few moments to complete this nomination form.

Nominations will be accepted until January 31, 2022.

Nominations will be reviewed by the Emerging Leaders Committee and winners will be notified no later than February 28, 2022.

Candidates selected for two-years of Elite Membership beginning April 1, 2022 will receive:

- Free membership in NACM Connect as an Elite Member for two years.
- Free admission to all NACM Connect educational programs including classes, seminars, webinars, the Annual Meeting and the fall Credit Conference. Classes and seminars offered through videoconferencing are eligible.
- Free admission to all NACM social events.
- Elite Members will be appointed to the Emerging Leaders Committee.
- Free admission to other special social/networking events planned for the Elite Membership group and geared for them and their peers.
- Elite Members will receive extra recognition and introduction at all events, and will be featured in the NACM Connect member publication, *CreditConnections*.
- Elite Members are required to serve on the Education or Scholarship Committee; are required to attend educational sessions at both the Annual Meetings and Credit Conferences in their regions; and will be asked to assist at these events.
